

Venus | PERFORMANCE TWILL®

The Optimum Combination of Comfort and Strength

Performance **TWILL**® with INVICTUS TECHNOLOGY®

Performance Twill® is specifically constructed for commercial use, highly durable and customer tested, provides four times the life as that of standard sheets and notably reduces overall customer spend.

- Provides the comfort of 100% cotton with the durability of polyester.
- Patented weave, pattern and thread density created with Invictus Technology by Venus.
- **SGS** Lab tested and proven to withstand up to 200 commercial launderings yet maintain original quality.

A Patented and Trademarked
Innovative Luxury Sheet
for Hospitality and Institutional Markets
